Michael T. lives in Falling Waters, WV with his beautiful wife J.J. As an educator, Michael T likes to teach with everything that he does. "The Land of the 5R's" is a reflection of his lifelong belief that the path to success and happiness is through paying attention in school, taking responsibility for our actions, and respecting others, Please Enjoy. His second book, "Oh, Yes I Can" is a reflection of his lifelong belief that each person has the ability to be anything, as long as they are willing to work hard, respect others, including God, and always say "Oh, Yes I Can". His first book "Jelly Bean Soup and Grilled Candy Sandwiches", was motivated by his wife who is certified in applied clinical nutrition. She always encourages him to eat each meal smarter. With childhood obesity in the news, Michael T thought "Jelly Bean Soup and Grilled Candy Sandwiches", would be a fun project to help children learn a better way to eat and live healthier.
